

Program Evaluation Consultant Services 2023 RFP

Response to Questions

- 1. Can DESC provide more detail regarding the procedures and timeline for sharing data with the selected contractor?**

Not at this time. Through this RFP, DESC's objective is to identify an individual or entity that has demonstrated qualifications and experience conducting activities described in the scope of work. Details and timelines will be discussed with the awarded contractor after evaluation and award acceptance activities have concluded.

- 2. Is there a defined budget range for this work?**

Due to the competitive nature of this request for proposal, Applicants are requested to make a firm cost proposal to DESC based on their experience providing services described in the RFP's Scope of Work.
