1. Who is authorized and acceptable to make these attestations?

consolidated affidavits	I.HIRING POLICY COMPLIANCE	affirmations about legal compliance
----------------------------	-------------------------------	--

Proposal documents, affidavits, and attachments submitted in response to this RFP must be signed by an authorized agent of the applicant organization who has legal authority to bind the organization to a contract.

For incorporated entities, this typically includes the Chief Executive Officer, Executive Director, President, or another duly authorized officer or designee as documented in the organization's governance structure. In the case of public agencies or educational institutions, the signature must come from an authorized contracting officer or administrator with delegated signing authority.
